

BORDENTOWN TOPS GOODWILL ELEVEN BY SCORE OF 18-0

95-Yard Run for A Touch- down by Owens is Feature of Game

MADE IN 1ST QUARTER

Goodwill Did Not Recover Until the Second Half of Tilt

BORDENTOWN, N. J., Oct. 6.—A 95-yard run for a touchdown by "Speedy" Owens featured the game between the Bordentown Manual Training School and the Goodwill Hose Company eleven, here, Saturday afternoon, as the Manual Training team topped the firemen, 18-0, for the second time this season.

Owens' run in the first quarter of the game took the starch right out of the fire-fighters who up until then had battled the Bordentown team on their own terms. Receiving a "break" on a fumble on their 19-yard line, Goodwill made a first down before "Boake" Carter got off a good kick which rolled to the Jersey team's 10-yard line.

On the T-formation, Owens took the ball from Banks, faked a run to his right, and then reversed his field and had the entire Goodwill team sucked in to the left with the exception of two players which were quickly moved down by the interference and Owens had clear sailing to the land of pay dirt.

Goodwill did not recover from this play until the start of the second half when they really pushed the Bordentown team around a bit. They got as far as the Manual 20 before Owens stepped into the picture again and intercepted a pass. Although trapped twice, the speedy Bordentown back broke loose both times and was finally pushed out of bounds at midfield. That put the end to all hopes for a Goodwill score.

Bordentown had the edge in first downs, 11-8 but in the second half, the Third Ward boys outscored their rivals, 5-4. They did this without the aid of a pass. The fire-fighters only tried three passes all afternoon and did not complete a one. Bordentown was successful in four passes in ten attempts.

The second Bordentown score came in the second quarter with a drive of 65 yards which ended when Banks went over from the one-yard line.

A SUMMARY OF THE NEWS

Communist leaders from nine European nations met secretly in Poland last month and adopted a manifesto that proclaimed a political, economic and ideological program to oppose the United States, Britain and right-wing Socialists everywhere. Moscow disclosed the meeting in a broadcast announcing the formation of an information bureau that would publish a bulletin from headquarters in Belgrade. The conference of 18 men, led by two of Premier Stalin's closest advisers, was believed to have proclaimed the re-establishment of the Comintern, which, until dissolved in 1943, planned and directed the international Communist fight.

There was no official comment in Washington, but some observers saw in this a reversal of the 1943 dissolution of the Comintern and a first step toward Russia's withdrawal from the United Nations.

Italian Communists followed the manifesto's lead, branding Right-Wing Socialist Leader Saragat a traitor bribed by American dollars.

In this country, the leaders of the Progressive Citizens of America assailed the Marshall plan for "splitting Europe" into two blocs and condemned the influence of "Wall Street bankers and militar-

MORRIS SCORES ONLY TOUCHDOWN IN BENSELEM GAME

Newtown Wins Over Bensalem by Score of 7 to 0

OWLS ARE STRONGER

Newtown Now Represents Threat to Other Schools

CORNWELLS HEIGHTS, Oct. 6.—"Bob" Morris scored the only touchdown of the game on the Bensalem field, Saturday afternoon, and the Council Rock (Newtown) team won over the Bensalem Township High School, 7-0. Council Rock is the combination of the Newtown and Richboro High Schools.

Morris' touchdown came in the final canto of the game after the two clubs had battled three quarters without a score. Teschner had placed the ball on the two-yard line with an end run and Morris cracked the line to score. "Ben" Walker place-kicked the extra point.

Time cheated the boys of "Sage" Sagolla a touchdown in the first half as Morris got to the 2-yard line after a 15-yard run. Before the teams could line up for another play, the half-time whistle sounded.

Although beaten, the Owls appeared much better than in last week's contest against Germantown. Coach "Woody" Wetherhold still has to iron out a few kinks before his team will reach the winning column.

By beating Bensalem, Newtown now represents a threat to the other schools of Lower Bucks County. Last week, the Council Rock boys topped St. Francis, 15-6.

U. S. EMBARKS ON A VERY STIFF SELF DENIAL PROGRAM

Meatless Tuesdays, Eggless Days Will Help Feed Europeans

LAUNCHED BY PRES'T

Distillers Called On To Stop Making Whiskey Completely For 60 Days

By William Umstead
(U. S. Staff Correspondent)
WASHINGTON, Oct. 6.—(INS)—The United States today embarked on the stiffest self-denial program in its peacetime history with meatless Tuesday and eggless and poultryless Thursdays to help feed Europe.

This strict food conservation drive was launched by President Truman who also asked the American people to eat one less slice of bread every day. Mr. Truman outlined the program in a nation-wide broadcast Sunday night.

The President also called upon the nation's distillers to stop making whiskey completely for 60 days and demanded that the major grain exchanges raise their margin requirements on futures trading under threat of Federal action.

Charles Luckman, chairman of the Citizens' Food Committee, said that the meatless, eggless and poultryless days should continue for "the duration of this emergency." He recently estimated that the emergency would last from four to ten months.

Mr. Truman emphasized that the voluntary co-operation of the American people in the food conservation program is essential to bring down high food prices at home as well as to furnish more "stop-gap" aid to Europe.

Restaurants and other public eating places have joined in the food saving drive and will serve bread and butter at meals only upon the request of their patrons.

The baking industry also is taking steps to save grain in the manufacture and distribution of bread. Luckman estimated the industry could save 10%, or three million bushels of wheat a month.

The President announced that the White House, all government restaurants and cafeterias, and the

REDSKINS BREAK INTO WIN COLUMN

Langhorne Shows Vast Improvement Over First Game

BEAT GEORGE SCHOOL

LANGHORNE, Oct. 6.—Showing a vast improvement from its opening games, the Langhorne Redskins broke into the win column Saturday afternoon, beating the George School eleven, 12-0, on Playwicky field.

Outweighed by a rugged George School team meant nothing to the inspired Redskins who, after a scoreless first half, scored in the third and fourth periods to chalk up the triumph.

Semarian Brown crossed the goal line for both scores. His first six-pointer was a four-yard reverse on the fourth down after George School had held the Langhorne team on a gallant goal-line stand. The touchdown climaxed a drive of sixty yards which was aided by a 15-yard penalty for unnecessary roughness. Brown would have been tackled before crossing the goal-line but for some fine blocking on the part of George Beswick who clipped two players from getting the tackle.

The second score was a 25-yard pass thrown by Armand Fizzano. Brown was on the 5-yard line when he caught the pigskin and went over the final chalk stripe. Both attempts for the extra point met with failure.

The George School team never seriously made a threat to score.

Conditions Only Fair For Sailing Race

The Lakewood Boat Club, Burlington, was the scene of another sailboat race yesterday. This was the eighth race in the current handicap series.

Weather conditions were only fair, the tide being very strong and the wind blowing only fair. The course was the same as that of two weeks ago, but the time was more than twice as much, the winning time being 1 hr. 49 min. 49 sec. for the 5 1/2 mile distance.

This race also established a record for the fastest boats finishing a race. Of the eight starters, five did not finish, and one was disqualified.

The winner was Cliff LaBar's "War Baby" with John Dadds in "Gismo" in the second place position.

Break at Rockview is Thwarted

Belleville—An attempted prison break by two inmates of Rockview Penitentiary was thwarted today when guards noticed them climbing a stockade wall. Prison officials said Albinus W. McCoy, 40, sentenced from Beaver County, and Lloyd Cramer, 39, sentenced from Bucks county, were captured within half an hour after making their break for freedom.

The two prisoners successfully scaled the wall and dashed into a wooded area, it was reported. All available guards were called out to surround the woods and the pair was captured a short while later.

The break occurred while other prisoners were going out to work in the fields. McCoy was serving two and a half to five years and Cramer one to three years for larceny and receiving stolen goods, prison officials said.

Elderly Trenton Couple Beaten by Bandits

Trenton, N. J.—Police searched today for two bandits who severely beat an elderly Trenton man and his wife and escaped with \$82 in loot. The victims—Paul Candelle, 65, and Atilla Candelle, 54, of 172 Jefferson st.—told authorities two Negro men accosted them on a bridge carrying Southard street over the railroad tracks.

Candelle was punched in the face and knocked down and his wife was struck on the head with a gun butt. Their screams attracted motorists who called police. Candelle suffered a possible jaw fracture.

Mrs. Emma Wells Dies Here in Eightieth Year

Following a lingering illness, Mrs. Emma Wells (nee Brown), died early yesterday morning at the home of her daughter, Mrs. Maurice Updike, 218 Walnut street. Mrs. Wells was in her 80th year.

Formerly of Osceola Mills, Pa., Mrs. Wells came to Bristol to reside 18 years ago.

Her survivors are her daughter, Mrs. Updike; four grandchildren, one great grandchild; and the following sisters and brother: Mrs. Charles Hexter, of Pennfield; Mrs. Caroline Richards, Hollidaysburg; Mrs. Ida Henry, Altoona; and Harry Brown, of Elwood City.

The deceased was a member of Bristol Presbyterian Church. The pastor of that church, the Rev. Edward G. Yeomans, will conduct the service at the Rueli funeral home, 314 Cedar street, Wednesday at one o'clock. Burial will be made in Bristol Cemetery, and friends may call Tuesday evening.

FARMERS PREPARE TO SOW WINTER GRAINS

Attention Turned To This Task Now That Most Silos Are Filled

CORN YIELD IS GOOD

Farmers in the county are turning attention to sowing of winter grain, now that their silo filling is about completed. This is according to county farm agent, William F. Greenwalt.

Most of the preparation of the soil prior to sowing the grain has been completed, and next week will see many farmers sowing the seed. Farmers were advised not to sow their wheat before September 30 in order to prevent infestation by the Hessian fly, which, if it gets into the grain, causes a heavy loss. Weather conditions for the preparation of the soil have been excellent this season.

The county's corn crop yield, according to Mr. Greenwalt, will be fairly good, but some of the corn, especially that which was planted late in the spring or early in the summer, will not mature. This, however, was helped to a large degree because of the hot weather the latter part of August and the forepart of September.

Commenting upon the harvesting of corn, Mr. Greenwalt said he believes that only 50 percent is expected by hand. This is because much of it is placed in silos and the field harvesters or mechanical corn huskers are being more generally put to use

DINING BY NUMBERS

National defense is a serious matter not usually associated with Emily Post or how to hurl a dinner party, but in Washington the association is both serious and important.

Washington hostesses take their hostessing in dead earnest and pay the strictest attention to the dictates of protocol, the body of rules prescribing the etiquette at ceremonies of state.

The elevation of James V. Forrestal, former Secretary of the Navy, to the post of Secretary of Defense, has had its effect not only on the military organization in general but on capital social niceties in particular.

Whereas Mr. Forrestal was formerly seated in sixth place among cabinet members at formal dinners, protocol now decrees that he be seated in third place, yielding precedence only to Secretary of State George C. Marshall and Secretary of the Treasury John W. Snyder.

And while the new setup promotes Mr. Forrestal, it demotes the present Secretaries of the Army and Navy. They are no longer cabinet members. In formal knife, fork and napkin circles they now sit with the Secretary of the Air Force, somewhere below members of the House of Representatives.

Apparently all that protocol leaves to the discretion of the Hostess is to see that the food and service down there below the members of the House of Representatives is just as good as it is up near the head of the table.

To those who prefer less formalized prandial exercises, that comes much closer to being the thing that really matters.

The man who wrote the tune which became the national anthem must have been a bit psychic, when he put in the phrase about the rocket's red glare.

The wise boys in Washington continue to talk about the "fore-seable future," without indicating in which direction they are looking.

No one is nooning himself for the vice-presidency, unless Wallace has designs on the Communist nomination.

ECHOES OF THE PAST

(By Courier Staff Member)

Review of the news as it appeared in the Bucks County Gazette issue dated at Bristol Dec. 10, 1896. The Gazette, a weekly newspaper published in Bristol, was discontinued following its merger with the Courier.

Issue dated at Bristol Dec. 13, 1896. The following officers were elected for the ensuing term at the regular meeting of H. Clay Beatty Post, G. A. R., on Monday, December 21st, at its post room in Washington Hall: Charles H. Appleton, commander; James Phillips, vice-commander; William Little, Jr., chaplain; J. Wesley Wright, quartermaster; David Townsend, officer of the day; Lewis Woolman, officer of the guard; G. W. Jacoby, orderly sergeant; J. Wesley Wright was elected a delegate to the state encampment to be held next June.

M. K. Baker and E. W. Minister have each had two teams at work cutting ice on the mill pond since Tuesday. On Wednesday the ice was thin, and Mr. Minister's horse fell in, much to his master's chagrin.

Steel's Mill resumed work on last Monday with a force of 150 hands, which is about one-quarter of the capacity of the plant.

Robert J. Pearson has purchased the engine and piping of the rubber mill on Beaver Dam road from James E. Mitchell, of Philadelphia.

Arrangements are being completed for the establishment of an ice manufactory in Bristol. Solomon Wilde and T. V. Massey, who operate the ice plant at Torresdale, intend to erect a similar one, but of a larger capacity, here, to supply the demand for pure ice. Negotiations were about closed for the purchase of the large lot back of Bath street and adjoining the property of Wilson Randall, but the question of a right of way to the street has been raised and it is not known now just where the works will be located. W. S. Daniels, who built the plant at Torresdale, has secured the contract for the building.

(Following items from Gazette of January 7, 1897.)

Thomas L. Leedom & Co., carpet manufacturers, are now employing the full number of hands, but are still working on three-quarter time, with the exception of the spinning

Gowns of her attendants were also in satin, these being floor-length. Matching head-pieces of flowers and net were worn, floral bouquets being of rust and yellow tone chrysanthemums. The matron of honor, Mrs. Alfred Dodson Philadelphia, sister of the bride, was attired in rust-tone; Miss Dolores Saenz, another sister, wore aqua; and Miss Elsie Oldham, Newportville, was attired in fuchsia. The latter two served in the capacity of bridesmaids.

Mr. Walter Sammler, Newportville Heights, attended his brother as best man, and ushers were Messrs. Raymond Saenz, Hulmeville, and Alfred Dodson, Philadelphia, brother and brother-in-law of the bride, respectively.

The reception was held in the house adjoining that of the bride's parents where the newlyweds will make their home upon their return from a week's trip to the Pocono Mountains.

department, which is running on full time.

The following officers of Fidelity Council, No. 21, Jr. O. U. A. M., have been elected for the ensuing term and will be installed this evening: Commander, Charles Cobley; vice-commander, Herbert Pettit; recording secretary, William Mohr; conductor, James Riley; warden, Clarence Young; inside sentinel, Harry Lyndall outside sentinel, Filbert Allen, trustee for 18 months George Callanan, Jr.; chaplain, Alexander Morrison.

On January 1 the mail carried for many years between Doylestown and Bristol by stages was suddenly stopped between Langhorne and Bristol. Between these points the Langhorne and Bristol Trolley Company thought they had the contract to carry the mail. President Watson had the employees of the trolley company sworn as carriers between the points named, but through some error no connection was made between the Langhorne and Eden office and this breaks the chain. The intervening offices have since been deprived of this convenient mail route, and all mails are now received through the Philadelphia office.

Coroner Kunsman, of Morrisville, reports that during the year 1896 he held 34 inquests, which, he thinks, is keeping the record down pretty low. In all the surrounding counties the number has been higher, amounting to 140 in Montgomery. Dr. Kinsman has been apparently conscientious in the performance of his duties, and has put the county to no needless expense.

Hermione Lodge, No. 109, Knights of Pythias, at their annual election of officers chose the following persons who will be duly installed tomorrow evening: Chancellor commander, V. V. 37 Teen-Age Girls Get Licenses To Wed

Continued from Page One

"With the advent of each new season, the Orphans' Court seems to be swamped with marriage license applications." Clerk of Orphans' Court Leonora H. Leator, of Riegelsville, told a reporter today. "Last week we really received a lot of applications."

A total of 138 licenses were issued during the month of September, topping the August total of 131. The September total brought the yearly total up to 1,175, that many licenses being issued in Bucks county in the first nine months of 1947.

This September's total did not come up to that of last year's when 145 were issued in the same month. The same month in 1945, records prove, only 81 licenses were granted. The summer total for the past four months was 613 licenses.

ARTHRTIS

Just a month before I came to Dr. Bond in pain, I started with severe pain in my knee and leg below the knee. I tried medicine, but with no result whatever. Then through my sister and friends I started with Dr. Bond's Chiropractic treatment, and after a few treatments I found my limb was not stiff and I could sleep better, so I persevered with my treatments which were wonderful and now I can safely say after two months treatment I can thank Dr. Bond for a complete cure.

Couple Wed Here in A Candlelight Ceremony

At a candlelight ceremony in Bristol Methodist Church, Saturday evening at the hour of seven, Miss Audrey Jean Corbett, daughter of Mr. and Mrs. Henry F. Corbett, 425 Buckley street, was united in marriage to Mr. John R. Spicer, Jr., son of Mr. and Mrs. John R. Spicer, West Bristol. The bride was escorted to the altar by her father, where the Rev. Charles Weller, pastor, performed the ceremony.

The vocalist, Miss Ethel M. Weaver, Trenton, N. J., a cousin of the bride, was accompanied by Miss Winifred V. Tracy, as she sang "O Promise Me," "I Love You Truly" and "Because." Her offering during the ceremony was "The Lord's Prayer."

The former Miss Corbett was gown in white satin, entrain. The gown featured an illusion neckline, draped front and bustle back. An orange blossom head-piece held in place a finger-tip veil of French illusion, and she carried a bouquet consisting of white roses and a lavender orchid.

Her five attendants were costumed in floor-length taffeta gowns. The matron of honor, Mrs. James Hoffman, Wood and Dorrance streets, wore peacock blue, and carried an old-fashioned bouquet of American Beauty roses. The following bridesmaids were attired in American Beauty gowns, and carried old-fashioned bouquets of yellow roses: Miss Elizabeth Corbett, sister of the bride; Miss Ann Spicer, sister of the bridegroom; and Miss Marie Darrah, of Andalusia. Flowers fashioned of feathers made up the head-dress of each of the attendants, and these and shoulder-length veils matched the individual gowns. Slippers were of silver. The little flower girl, Jane Patterson, Buckley street, a niece of the bride, wore yellow, and the flowers composing her head-wreath, as well as those she carried, were American Beauty roses.

Mr. William Harvie, of Emilie, uncle of the bridegroom, was best man; and the usher group was inclusive of: Messrs. Raymond Kirk, Croydon; Donald Richman, West Bristol; and James Hoffman, Wood and Dorrance streets.

For the ceremony Mrs. Corbett, mother of the bride, selected a black and pink dress, and black accessories; while Mrs. Spicer, the bridegroom's mother, chose a brown dress and matching accessories. Corsages of both were made up of pink rose-buds.

A number of guests attended the

reception which followed in Hillbarn hall, Corson street. The newlyweds are participating in a week's trip through some of the southern states. They will soon occupy an apartment on Bristol Pike. Travelling costume of Mrs. Spicer consisted of a brown gabardine suit, brown accessories, and the orchid from her bridal bouquet. The bride presented her attendants with maracas crosses, the young women wearing these at the ceremony. Mr. Spicer gave the best man and ushers gold pen-knives.

BORDENTOWN WINS
OVER FALLSINGTON

BORDENTOWN, Oct. 6 — Coach Glenn Miller's Fallsington Falcons lost its first game of the season to Bordentown High, here, Saturday afternoon, by a 20-7 score. The Falcons outscored the homesters in first downs, 15 to 8.

Fallsington's only score came when Roy Lynch tossed a 20-yard pass to Dave LeBeur. "Dick" Do-honey place-kicked the extra point. Featuring the Bordentown score was a 97-yard run by Bob Asson in the second quarter.

BULLDOGS LOSE TO
RIVERSIDE HIGH

MORRISVILLE, Oct. 6 — A first period touchdown gave Riverside High a 7-0 victory over Morrisville High on the Robert Morris field, Saturday night, before a crowd of 2,000.

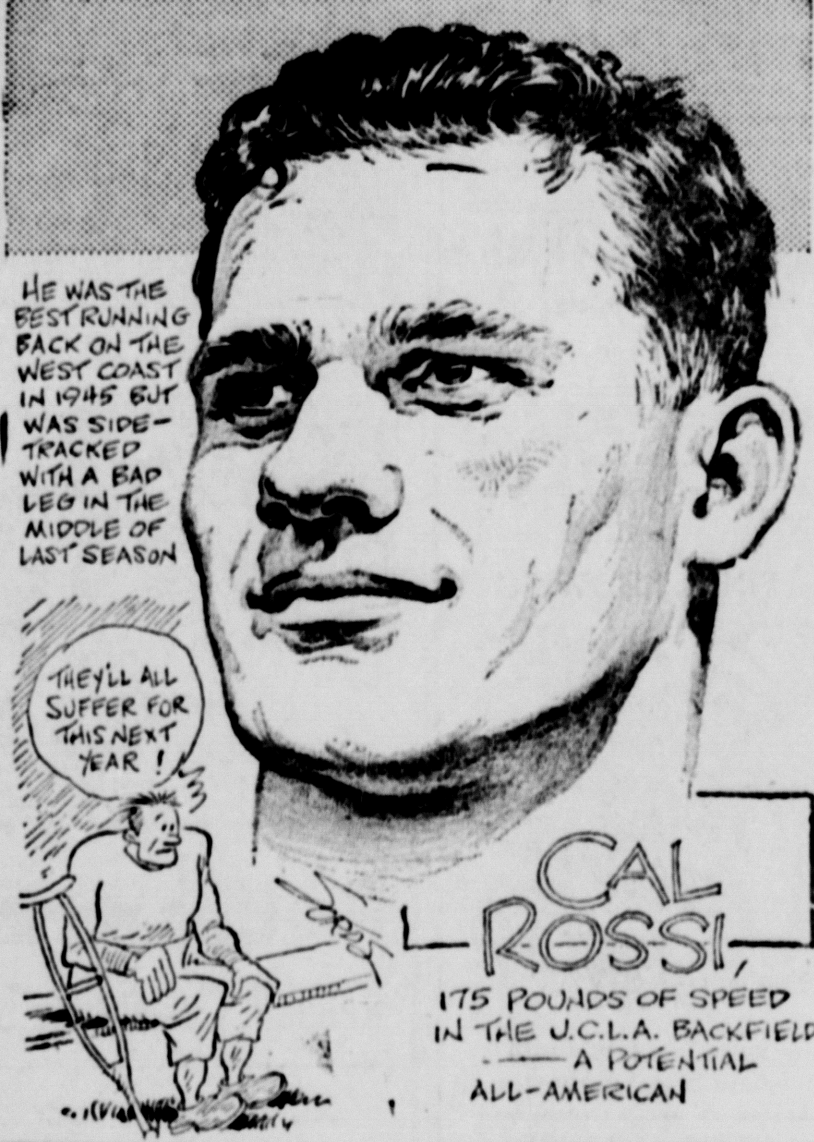

"Charley" Costello crossed the goal-line on an eight-yard plunge, and "Charley" Oligati made the extra point on a line play after receiving a bad pass from center.

armed forces have been directed to comply with the conservation program. The Navy immediately complied with reimposition of strict wartime conservation measures.

In addition, he said that the nation's farmers must co-operate by reducing the amount of grain they now use to feed their livestock and poultry.

Luckman said that he expects the brewing industry, which already has agreed to eliminate the use of wheat and top grades of rice in beer production, "to make new proposals for substantially increased savings."

CHANGE MEETING NIGHT
The monthly meeting of Rohm & Haas sewing circle will be held on October 15th, instead of the 8th, as originally scheduled. This session will be in the form of a Hal-loween party, all members being requested to mask.

Good sportsmanship
in action!
You're playing fair with your party-line neighbors when you keep calls brief . . . and when you space calls so that others can use the line as well. Take the lead in party-line courtesy. Others follow — and that means better service for everyone.

Kin To Be Notified
Of Body Arrivals

Continued from Page One
The remains will then be placed at the Philadelphia Distribution Center in the mortuary building, newly renovated for the program, and placed in a pre-assigned area in order to expedite delivery to next of kin upon receipt of reply to telegram previously dispatched. Prior to delivery of remains to next of kin, a second telegram will be sent, advising time of departure from this center, time of arrival at destination and name of escort accompanying remains.

The remains will be delivered to the next of kin or authorized representative by rail or motor vehicle, whichever is the best-suited means of transportation. Upon delivery of remains to the next of kin or authorized representative, if the funeral is to be within 72 hours and the next of kin so desires, the escort may remain for the funeral services.

In following the procedure as outlined above, an operational time lapse between arrival at the distribution center and the final delivery to the next of kin will exist. This lapse of time may be as great as four weeks before the last remains received is delivered, depending upon the distance, number of rail transfer points and the receipt of reply from the next of kin confirming and completing the final details. Subject to the above, it is planned to ship remains to the next of kin in the order in which replies with complete information are received.
